BUSINESS AND FARMING

### ...PROJECT ESTABLISHES 16 NEW BUSINESSES

**LAVUMISA** - About 16 new small businesses have been established in this community through the Royal Jozini Big Six project.

Most of these businesses are in the construction industry.

Director of the project, Jim Brown said their target was to create 100 jobs. Already, 68 people have been employed on site while on the construction aspect, 250 people have been employed.

Brown voiced out confidence that the numbers would grow each year as the project developed.

Already, some of the employed labourers now have skills after undergoing training.

In total, the project will provide 2 000 jobs, increase tax income and market Swaziland in the international community.
