

BOAT CHARTER PRICING

The boat for hire is a 17ft Cathedral Hull powered by a single 90hp Yamaha motor. It was built in 2014 fitted with trim / tilt option & depth sonar allowing for easy access to shallow bays. The large motor and buoyant design allows the boat to travel large distances across Lake Jozini. The cathedral hull makes for a stable ride in any weather.

This boat can fish 5 comfortably for fishing hire and can seat up to 8 (including skipper) for a sunrise or sunset cruise.
