

BOAT CHARTER PRICING - 2020

The boat for hire is a 17ft Cathedral Hull powered by a single 90hp Yamaha motor. It is fitted with trim / tilt option & depth sonar allowing for easy access to shallow bays. The large motor and buoyant design allows the boat to travel large distances across Lake Jozini. The cathedral hull makes for a stable ride in any weather.

This boat can fish 4 comfortably for fishing hire and can seat up to 6 for a sunrise or sunset cruise. The pax number is based on average weight of 75kg = 450kg total. (pax number can vary slightly if kids are included – minimum age 4yrs).
